Students will receive their admit card in batches based on them meeting our eligibility criteria.

College must ensure labs have the required logistics arrangement made at their end as below:

- **Laptop/ desktop** must be enabled with webcam and microphone. Webcam should capture image clearly. Both webcam and microphone must be in switch-on mode across all assessments and interview stages of our process

- **RAM & Processor:** 4 GB+ RAM, i3 5th Generation 2.2 Ghz or equivalent/higher
- **Operating system:** Windows 8 or 10 only
- **Google Chrome browser:** version 80 (upto 5 latest versions can be considered)
- Stable Internet connection of 2Mbps+ enabled through broadband connection, do avoid unstable 3G/4G networks
- VPN/Proxy should be disabled
- Safe Exam Browser (SEB) must be installed mandatorily. Link and installing guide will be shared over an e-mail notification

Specifically for communication assessment:
- Its highly recommended to use a **USB enabled Headset** with a microphone, or a good quality headset with single jack – 3.5 mm having microphone
- Students must avoid using Bluetooth headsets or using on system speakers and microphone

Candidates may be split into batches within the allocated number of days basis your lab capacity. There would be 3 batches per day.

We wish them all the best!

Best Regards,

Department of Training and Placement
